

Shaftesbury Rotary Club

Rotary Community & Vocational Committee - Plans for 2015/2016

Our aim this year is to support and promote a wide range of activities for all ages to develop and encourage abilities, support the disadvantaged and raise funds so that we can react to local individual needs if required. Our planned activities include:

Rotary Vocational Committee - Plans for 2015/2016

- Working with local schools to promote Rotary Young Chef of the year, Rotary Youth Speaks completion and Young Musician of the year
- Offering assistance and experience to hold mock interviews for the benefit of school leavers in Shaftesbury
- To respond to other opportunities which require our vocational skills whether professional, business or life experience

Rotary Community Committee - Plans for 2015/2016

- Organising and providing funds to allow a coach of special needs primary pupils from Yewstock School to attend the annual "Kids Out" trip to Longleat
- Senior Days Out, a mystery tour arranged for older members of our community who would benefit from such a trip
- Support to the ever growing annual Snowdrop Parade in Shaftesbury
- Providing chauffeured cars for elderly residents who would otherwise find it difficult to attend Shaftesbury Theatre
- Fundraise at late night Christmas Shopping and Christmas Street Fair

General

To be aware and responsive (if we can) to the considerable expansion of the local population due to the major housing developments which inevitably will bring challenges.

- *Paul Whiteman*
