

ROTARY CALDWELL AWARD 2024

This year's Shaftesbury Rotary Club Caldwell Award has been presented to HOPE (Helping Other People to Evolve) to recognise the great work they do in providing support through their various projects, in particular in relation to mental health support. HOPE runs the following projects:

- Drop-in centre supporting those with mental health and well-being needs
- Shaftesbury Community Front Room, a safe space for those seeking support
- HOPE 2 Grow is for people who are in health and well-being recovery to offer gardening services to people in the community
- HOPE 2 Bake offers cookery courses that allow people to get together, and to cook
- HOPE 2 Cycle repair and recycle bikes and get them back on the road

Shaftesbury Rotary Club wants to ensure that the work of Eileen Crew and everyone else at HOPE is acknowledged. The services offered are vital for the local community.
