

BOMBAY SAPPHIRE DISTILLERY

16 Rotarians took part in a visit in October to discover the artistry and heritage behind Bombay Sapphire at their state-of-the-art distillery which is set astride the banks of the crystal clear River Test. They went behind the scenes and discovered how Bombay Sapphire infuse exotic botanicals from around the world into their gin.

On-site café where some enjoyed pre-visit refreshments.

After this fantastic insight into the world of gin we visited the bar where individual cocktails were produced to match each taste.

We left Bombay Sapphire after a great experience making our way to the Watership Down Inn for lunch. Who could ask for more?
